How are Chris Comish's attunements or healing sessions created?

This question was asked at https://www.etsy.com/shop/DivineBooksByChris

The purpose of this writing is to empower others who wish to create attunements or healing sessions or to help recipients understand.

Question:

So how does this stuff work? You read the book (or read the words) and it activates?

Answer:

Thanks for your question. When you read the words to receive, the energy downloads to you from your Higher Self. It is all intention. When you intend to receive the attunement or healing session, you read or say the words to receive in the book, and receive the attunement or healing session.

In 2009, I created most of the attunements and healing sessions. Some other ones like Distant Healing Session and Purification Healing Session were created more recently. All attunements, empowerments, and healing sessions were created, and then sent to each recipient's Higher Self for custody, until the recipient is ready to receive. My attunements, empowerments, and healing sessions, can be received 100 years from now, a 1000 years from now, it doesn't matter, since they are held by the Higher Self, which is Spirit, which is Eternal. The key ingredient is intent to receive. Each recipient needs to intend to receive, by thinking or saying the words to receive. This obeys a law called the Law of Free Will.

So basically I upload the attunement or healing etc. to the Higher Self (a multi-dimensional level to avoid Free Will interference), using a chi ball (basically an etheric zip file), and then when the recipient intends to receive, by thinking or saying the words to receive (aligning personal will to Divine Will), the attunement or healing session is unzipped from the chi ball, and downloaded.

The chi ball can transfer from multi-dimensional dimensions to the etheric dimension, and is basically a similar substance to our chakra system, which exists in the etheric dimension, and connects to the physical via the nervous system.

So basically having custody in time-space (Spirit) bypasses space-time limitations (form). That is how the statement is supported: "I've set the intention that all who ask to receive attunements from me receive them perfectly and instantly the moment they call them in regardless if the attunement is prepared in the past, present or future and regardless of who the recipient is." It does not matter that the recipient is on the other side of the world or in a completely different time zone. Spirit does all the heavy lifting. Faith in Spirit performs miracles.

Q: I got some of these. I read them however did not feel an activation. Is there a reasons perhaps I did not receive. I believe it works and is possible.

A: Great comment. There are a lot of factors, and they are entirely different for each person. Some factors include: being not ready to receive or wanting to receive on some level, not trusting in the process, and not being clear enough to feel energy. For example when I started learning Reiki in 2006-2008, I did not always feel energy, but as I progressed I was able to feel more. We are like onions. If there are lots of densities that need clearing, those densities have to be cleared first. Also sometimes I would start a process and then get interrupted, and then I wouldn't feel. Basically I was blocking the process with my free will. Then, when I was in quiet place and not disturbed and intended to receive, I would feel the energy. As we open to Faith in the entire process and become cleared, the process is smoother. Finally, all of my attunements and healing sessions can be received again when you read or say the words to receive, so feel free to read or say the words again if you wish. When we receive, sometimes we are at different phases of life, and as we raise our vibrations, the subtle energies are more felt.
